

# MEMBERSHIP APPLICATION

The Bairns Business Club (“the Club”) has been formed by a group of local business people to help develop stronger links between the business community, supporters and Falkirk Football club (“FFC”). FFC have agreed to support the aims and objectives of the club.

The aim of the club is to increase the interaction of key members of the local business community through social events and networking. All funds generated by the club will be donated to specific areas of FFC activities as decided by the business club.

The membership fee is £150 and includes one Corporate Hospitality place at a selected home fixture, subsidised hospitality at other selected fixtures and runs from June - May annually. Details on the hospitality matches available to members will be notified when fixture lists are published in advance of each new season.

Web adverts at an extra cost of £50 per year are available as a means of advertising your business on our website.
